

Form Property Owners Council Minden Fair To Combat Water Levels, Etc. Reported Best Yet

WHAT DYARS COUNCIL DID

Dyars council met on Monday with all members present.

The minutes of the previous meeting were passed as read.

General accounts No. 848 to 945 amounting to \$36,541.26 were approved as were direct relief accounts amounting to \$651.37. Relief accounts were up again sharply from last year when the expenditures for the same period were \$560.65.

It was moved and passed that parties interested in the title of part of the road allowance proposed by by-law 61-14 be requested to bear the account of survey as per order 883.

Council approved a motion to the effect that Titus & Stamp be offered the opportunity of supplying the stove oil required by the municipal office, fire hall and garage for the 1961-62 season.

It was moved and carried that application be made to the Dept. of Highways for interim subsidy of \$57,113.36 being expenditures under by-law 61-4 and 4A from January 1 to August 31.

It was moved that the Canadian Legion, branch 129, be informed that council will grant its request are: a sidewalk as soon as possible after they have made the necessary preparations and alterations for same.

Council have requested the clerk to re-order the installation of two lights in front of the James Perrin property.

A motion was moved and carried that council make application for subsidy on a winter employment expenditure of \$20,000.

Whereas William Neil Clarke has had sufficient notification therefore a charge of breach of municipal by-law 56-18 be laid against him at once.

The following conveyances of land were approved as required by by-law 59-8.

Lot 21, con. 1, Dyars, from Clifford Smith to Leonard Salvatori.

Lot 10, con. VIII and IX Dyars, from Robert MacDonald to Harold H. and Grace E. Bolender.

Lot 30, con. V, township of Guilford, from Karle Hanke and Irmgard Hanke to Frank Rushland and wife Annelise.

The following by-laws were given first reading by council:

By-law 61-14 to close a portion of road allowance between con. IX and X in the Township of Dudley.

By-law 61-15 to close a portion of road allowance between con. VII and VIII in the Township of Harcourt.

By-law 61-16 to close a portion of road allowance between lots 10 and 11, con. VI in Township of Harcourt.

By-law 61-17, being a by-law to expropriate land in lot 5, con. IV in the Township of Dudley.

By-law 61-13 to authorize agreement with the Crown Asstts Corp. re: lot 1, con. 1, Township of Harcourt.

The Haliburton Highlands Property Owners' Council was formed by a group of representatives from the many Haliburton county property owners' associations. These associations represent hundreds of summer homes and lodges on the many lakes throughout the area.

The purpose of having such a council is to have one strong central committee, representing all property owners' associations, that can negotiate and fight for the common interests of the entire county.

This council is composed in membership of property owners' associations through their authorized representative, and membership will be restricted to such association representatives as acceptable to the council.

At a general meeting of the council, held at Haliburton Lake on Saturday, August 26, it was decided that until our next annual meeting, to be called early next summer, the executive consist of A. G. Hale, chairman, and A. Bonner, secretary treasurer. Minutes of this meeting will be sent to member associations.

The council members will decide at the next annual meeting the desired number of executives for the future and elect them to serve for a one year period.

This council will serve and carry out the instructions of its member associations, as presented by their authorized representative and approved by council membership as a whole, but cannot act on behalf of individual requests.

This council in no way will affect the autonomy or individual function of the associations it represents but will be a medium to express the collective wishes, as a united group, on matters requiring more authority than any one property owners' association could bring to bear.

The objective of the council is to serve its member

(Continued on Back Page)

AT REST

Edith Beatrice Roberts

Our readers will regret to learn of the death of Mrs. Edith Roberts, wife of the late William Roberts, which occurred in Lindsay on Monday morning.

The deceased had been in ill health for a considerable period and her demise was not unexpected.

The funeral service is being held today from the Haliburton United Church.

Deepest sympathy is extended to the bereaved family.

Best Yet

Hot sunshine beamed down upon the 97th annual Minden fall fair last Saturday, when a record crowd reported it the best fair yet.

The Kempenfeldt Trumpet Band from Barrie paraded from the main street to the fair grounds and filled the air with a tremendous volume of stirring music. The band previously reported 50 members, swelled to 70 for the day.

Their bright uniforms stood out brilliantly in the bright sunshine and each member put his very soul into his part to make it the great success it turned out to be. Band members ranged from four years to 15 and were accompanied by adult clowns who also did their bit to add entertainment. During the afternoon, besides providing music, the band put on drills of different types and added a spark of comedy as well.

Mr. Bob Harvey Jr. in his gaily decorated straw hat again proved to be tops as master of ceremonies.

Mr. Garnet Lytle, president of the fair, made a few brief remarks and thanked the many people who had made donations towards the new building and who had in any way helped with the erection of it.

Mr. Holly Sisson, reeve of Dyars, and warden of the county of Haliburton officially opened the fair and in his remarks said he thought every reeve in the county should get behind the fair and help to make it bigger and better, as it is now the only fair, in the county of Haliburton.

Mr. Stan Darling of Burk's Falls and who is president of this district No. 11 gave a few stirring and interesting words.

Various lines of entertainment followed Emerson with his many novelty acts and magic; the dove fantasy by Trixon; Fred Will, the amazing Australian on slack wire and Tommy Bishop who fascinated the crowd doing trick riding on his horse.

The ladies nail driving

Dyars Vote On Saturday

Saturday is voting day in Dyars and residents of the municipality are going to be asked to vote on the following questions:

"Are you in favor of the sale of liquor under a dining lounge license for consumption with meals on licensed premises?" This means that should an affirmative vote be obtained on this question liquor could be served with meals in hotels and restaurants.

Voters will also receive a second ballot and on it you will be asked to vote on the question which reads as follows:

"Are you in favor of the sale of liquor under a lounge licence for consumption on licensed premises?" The foregoing will decide whether the voters favor the sale of spirits at cocktail bars.

The polls are open from 8 a.m. to 7 p.m., daylight saving time.

contest, which always goes over big (with the men laughing) drew many contestants.

A free for all horse race with winner take all was won by Jim Hughes of Fenelon Falls.

Horseshoe pitching was another event which proved very popular and prizes went to Messrs. Willis Walker and Royce Cowen, first; Jack Eastwood and Earl Bush, second; Larry Lonsberry and Neil B. third.

Mrs. James M. of Glamorgan township took the prize for the oldest man on the grounds.

The highlight of the fair for so many years was the horse drawing contest and winners were: 1 Les Scheffee of Haliburton; 2, Everett Stamp of Minden; and 3, Victor Cox of Minden.

The much enlarged midway was a busy section and needless to say the refreshment booths were all kept busy. There was a splendid horse show and the ponies are growing in number and popularity each year.

The new building was indeed a place of great interest and thronged with people all day. Due to a tremendous increase in exhibits and to the careful judging, the exhibit section of the building was somewhat late in being opened to the public.

However, all the tables and food shelves were filled to capacity with every imaginable type of exhibit. This was the first year for the junior section, 18 years and under for boys and girls of the county and there were many fine articles here too.

Only three churches took part in the church display with St. Paul's Anglican, Minden, Lochlin United and

FIRE SCOREBOARD

No new fires were reported in the Lindsay district during the past week but in the week previous, according to Gooderham headquarters, a small fire in Galway township, about two miles west of Crystal Lake, was extinguished by a crew headed by township fire warden Charles Molyneux.

This is the fourth fire this year which has been extinguished by a local fire warden and his crew. In all cases the area burned was very small, due, no doubt, to the quick response of the crews and the good organization developed by the local fire wardens.

Fires to date total 32 and area burned, 108 acres.

The predicted fire danger rating for this week is medium to high.

Carnarvon United winning in that order. They were lovely displays and revealed many hours of hard work.

School exhibits were in great numbers also. The ladies' work and domestic science sections contained exceptional quality.

The new building was beautifully decorated with cedar trees and suspended from the lights were baskets of hydranges and cattails.

The 1961 fair has gone and now is the time to prepare for another, especially for the ladies who wish to exhibit needlework, knitting, etc.

The directors too now have to begin another new year and will gladly welcome suggestions on ways and means to make a bigger, better and even more interesting fair next year.

HALIBURTON NEWS LETTER . . .

On Sunday evening last the driver of a Dodge car of somewhat ancient make apparently parked his car on High St. Shortly after he took off he careened into the rear of a new car. Though the damage was not extensive the driver drove on without waiting to see what damage he had caused. There is no possibility that this driver did not know he had struck another car as everyone within half a block heard the crash.

The reckless speeds at which a small segment of our motor drivers race up and down our main drag can assure more crashes, probably of a much more serious nature. We hope that the driver of this car of which we speak is located and brought before the magis-

trate because it would be interesting to know how he would account for his actions on Sunday evening last.

Sunday and Monday were two of the hottest days of the year when the mercury hit 86 degrees. But Tuesday saw much cooler weather with many turning on their oil furnaces on Wednesday morning, but at time of going to press the weather appears to be warming up again.

Citizens of Haliburton were given a real musical treat on Sunday afternoon last when the band of the West Toronto Corps of the Salvation Army presented a concert on the lawn of the municipal telephone office. We understand that during

their stay in the highlands the band were the guests of Mr. and Mrs. Bursey at Glen Roy lodge.

Mr. and Mrs. Philip Trenton and June Ann Persaud of Toronto were guests at the home of Mr. and Mrs. George Brennan. They also attended the Trerice-Minak-er wedding.

We regret to report that the condition of Mrs. George Earle, who is a patient at the Ross Memorial Hospital, Lindsay, is such to cause her friends much anxiety.

Mr. Tom Hodgson of Haliburton is returning to the University of Toronto this year to complete his work for a type A certificate in history.

Snowdon Council

The following are the minutes of the September meeting of Snowdon council.

Council met with reeve E. H. Peacock in the chair and all members present.

The minutes of the last meeting were read and it was moved by Messrs. Milburn and Hicks the minutes be adopted as read.

A letter was read from Peel county council asking support in legalizing national hospital sweepstakes and it was moved by Messrs. Procter and Gilbert that we concur with the resolution of Peel county council.

Moved by Messrs. Hicks and Milburn that this council request the Dept. of Highways to take over the Minden road from Highway 519 to Minden township boundary via South Lake.

Moved by Messrs. Gilbert and Milburn that the clerk

write Mrs. Lovegrove advising her that the township still owns the road from Highway 500 to Irondale and that she move the fence on lot 26 to the river by September 15 or the township will do this and charge same to her.

Moved by Messrs. Procter and Gilbert that we refund Tom Hoyle \$18.54 re: back taxes on part lot 14, con. 6.

Moved by Messrs. Procter and Gilbert the following hydro contracts be passed:

Wm. C. Wilson.

Moved by Messrs. Hicks and Milburn the following bills be paid:

Hillcrest Nursing Home, \$108.25; Municipal World, \$20.19; Tom Hoyle, \$18.54; W. E. Dugan, road money, \$2,000; country treas., debt-enture 2, \$60.57.

Moved by Messrs. Gilbert and Procter that we adjourn until court of revision on September 20 at 10 a.m.

Haliburton WMS

On Friday, September 8, Mrs. Way was hostess to the ladies of the United church W.M.S.

In the absence of the president, Mrs. Mel McKnight chaired the meeting which she opened with prayer. She then called on Mrs. Petrie to lead in worship.

Mrs. Petrie took as her text Luke 12:48. She referred to the work of the 12 missionaries who will be retiring in 1961-62, and paid tribute to their years of faithful service in many different parts of the world.

Mrs. Petrie left a challenge to the members to "do the much" that is required of them.

The worship was closed with the singing of the hymn, "Jesus, Master, Whose I Am," and prayer.

Mrs. Chambers introduced the two new study books, "Signals for the Sixties," and "Hasten the Day." In a very enlightening way, she gave the members an idea of the contents of the study books and aroused their interests in a more intensive study.

The minutes of the previous meeting and the treasurer's report were read and accepted.

The reports of the standing committees were received, Mrs. R. Johnston reporting 23 home calls. Mrs. Mel McKnight, the supply secretary, asked that all donations to the bazaar be in before November 1. It was decided to ask for contributions through the church bulletin.

The meeting was closed with the benediction.

Following this a social half hour was enjoyed with Mrs. C. Bailey and Mrs. George Wheeler assisting the hostess.

AN INTERESTING DAY AHEAD

This coming Sunday at the Gospel Lighthouse should prove to be very interesting. The Sunday school will be in the third week of its expansion contest. Since we have a department for every age group, everyone is looking for a growth in Sunday school attendance. In the morning service the pastor will continue his study of Romans, by preaching on chapter four.

The most interesting part of the day however is going to be the evening service. This is going to be a special music night. Musical people have been contacted and a good time of singing and playing is being anticipated.

Mrs. Deena McNeill, the pastor's wife, will be telling her life story. Born of Jewish parentage in Europe at the time of the last war she has many things to relate concerning life under Nazism.

Then after the war she lived under Atheistic Communism until she emigrated to Israel with her mother.

Everyone is invited to come and hear this remarkable story of God's grace.

Haliburton News Notes Lutterworth Council

Mrs. Owen McEvoy, who has been visiting in Haliburton has returned to her home in Trenton.

Miss Edith Black, who is employed in Toronto, has returned home after spending a week's holidays in Haliburton.

Mr. Boyd Robertson, who is employed in Toronto spent the week end at his home here.

Mr. and Mrs. Art Ruggles of Toronto spent the week end at their cottage on Drag Lake.

Mr. Ronald Pasquino of Toronto was spending a weeks holidays in the vicinity last week.

Mr. Erven Hoxie, who is employed with the Bridge and Builders at Oshawa spent the week end at his home here.

Mr. Tom Barrow of Toronto was a business visitor to

Haliburton last week. Mr. and Mrs. Ed Goodwin of Lindsay spent the week end at their cottage on Drag Lake.

Mr. David Chambers returned to teach school in Kitchener last week.

Mr. and Mrs. Jim Scott were visitors to Haliburton over the week end.

Haliburton was very quiet on Saturday. This was due mainly to the fact that a large number from here attended the Minden fair.

Mr. and Mrs. Ross Nicol of Haliburton are spending a holiday in Massachusetts.

Guests with Dr. and Mrs. T. W. Hicks for the week end were Dr. and Mrs. Robt. Baggs, Dr. and Mrs. David Strain, Dr. and Mrs. Andrew Glenn, Dr. and Mrs. John Wagna, Dr. and Mrs. Douglas Heathfield, Dr. John Gilmore, Dr. Marven Klotz and Dr. Nathan Greenburg.

Lutterworth council held their September meeting Wednesday, September 6 with all members present except Mr. Oliver Greer, who we are very sorry to learn suffered a heart attack and is in the Ross Memorial Hospital. Also in attendance was Mr. Dean Leary, road superintendent.

John Hounsell, clerk, read the minutes of the last meeting. Moved by Roy Brooks, seconded by Art Hodgkinson, the minutes of August 2 meeting and the special meeting of August 16 be adopted as read. Carried.

John Hounsell read correspondence received since the last meeting.

Moved by Art Hodgkinson, seconded by Roy Brooks, that the following accounts be paid: \$108.25 to Faulkner's Nursing Home for the care of Mr. Jim Birmingham; \$30 to the Kinnoull nursing home for Mrs. Edna Piper; \$150 to John Welch & Son; \$15 to the Minden cemetery for Mrs. Edna Piper; \$5.20 to Municipal World; \$240.45 to Newell & McInerney insurance agency for municipality liability insurance, non-owned auto insurance and for treasurer's bond; \$544.86 for the road account and \$50 to John Hounsell, part of salary. Carried.

The account from Faulkner's nursing home was for \$6 a day, and the council felt this was a little high compared to other nursing

homes in the area, and a motion was made by Roy Brooks and seconded by John Harrison that \$5 a day be paid to Faulkner's nursing home for Mr. Birmingham until other arrangements could be made. Carried.

Moved by Roy Brooks, seconded by Art Hodgkinson, that Floyd Miller, John Hulbig, Carl Prentice and Ira Gillespie be appointed as evaluators for livestock killed by dogs. Carried.

Several farmers have lost a great number of chickens supposedly killed by dogs.

Moved by John Harrison, seconded by Roy Brooks that the meeting adjourn until Wednesday, October 4 at 7.30 p.m.

Mr. Clayton Hodgson, Haliburton, Ont. Dear Mr. Hodgson:

On July 16 I was in your beautiful village, a place which I have always enjoyed visiting. On this occasion I went up into the park overlooking the surrounding countryside and I must say I was thrilled beyond description.

I attended the service in your local Salvation Army corps and then went back and spent some time at the park. While there these words, which I am enclosing, came to me and I felt I should send them to you because I know the highlands of Haliburton can equal anything in beauty that any other part of our country can offer.

Sincerely,
Bruce Brokenshire.

THE HALIBURTON SKYLINE PARK

I stood upon a mountain top in a lovely, quiet place. My sight was veiled in rapture and with awe. For a beautiful little village was resting at its base: I'll try and paint the picture that I saw.

It was in early morn when I came upon that spot. The sun had scarcely touched upon the bay; The distant hills were shrouded as if time had forgot That night was spent and 'twas another day.

The lake was like a mirror, its surface calm and clear, A boat was slowly drifting as it lay: The sparkling stream below me was struggling to appear

Between the trees that lined its winding way. The village with its rooftops of nearly every hue, Just like a gorgeous garden spread below,

The roads, streets and highway lay there within my view Like tiny footpaths twisting to and fro. Fleecy clouds like pillows floated in the sky, The forest covered every knoll and dell,

Except where farm homes nestled, for cattle grazed close by, I could clearly hear the tinkle of their bell. I was there again at noon-time, the sun was straight above, The horizon now seemed very far away;

Still the village rested, I could hardly see a move, God seemed so close—It was His Sabbath day. Before I left that lovely spot the breeze had risen some The sky was darkened and claps of thunder rolled; Reluctantly I turned and started home,

As lightning streaked the sky with purest gold. Where is this place that rests so peacefully? How far, to see its splendour, must we roam? It's just one place of beauty, made for each to see, The Skyline Park—above each Haliburton home.

—Bruce Brokenshire.

CITIZENS OF DYSART ET AL

YOUR VOTE on September 16th will decide whether or not liquor will be sold by the glass in our municipality . . .

PLEASE REMEMBER that wherever such sale is introduced . . .

1. It creates a new group of drinkers.
2. The liquor traffic is after your boy and girl.
3. It creates unwholesome conditions among our youth.
4. No escorts are required in cocktail lounges. The record of immorals and cocktail lounges is shameful.
5. Lounge drinking is generally done in the late night hours. Would this bring business to our stores?
6. Dubious "entertainments" are added to boost sales.
7. Anyone may apply for a license and same may be granted without any further vote of the people.

ARE YOU CLEAR ABOUT THE TWO QUESTIONS?

One ballot is for DINING LOUNGE LICENCES. This means license to sell brandy, whisky, rye, gin, rum, etc., with meals in hotels or restaurants until 1:00 a.m. A sandwich may comprise a meal and . . . THINK OF IT . . . all ages admitted.

The other ballot is for licences to sell hard liquor in COCKTAIL BARS. They can charge any price they like and drinking may continue until 1:00 a.m. (if the money lasts).

HAVE NO REGRETS . . . PUT AN "X" AFTER EACH "NO"

BE SURE TO VOTE ON SAT., SEPT. 16—VOTE NO

Yours Sincerely,

THE COMMITTEE OPPOSED TO COCKTAIL BARS AND DINING LOUNGES IN DYSART ET AL.

Are you in favour of the sale of liquor under a dining lounge license for consumption with meals on licensed premises?	YES
	NO X

Are you in favor of the sale of liquor under a lounge licence for consumption on licensed premises?	YES

In Memoriam

Harrison—In loving memory of our dear mother, Mrs. Cliff Harrison, who passed away September 11, 1951: Asleep in God's beautiful garden, Away from all sorrow and pain, Some day when life here is ended, We shall all be together again. —Always remembered, Winnie and Verle and Sheila.

Harrison—In loving memory of a dear mother, Eva Harrison, who passed away September 11, 1951: Two dear bright eyes, a tender smile, A loving heart that knew no guile, Deep trust in God that all was right, Her joy to make some other bright, If sick or suffering one she knew, Some gentle act of love she'd do, No thought of self, but of the other, I know He said "Well done," mother.

Card of Thanks

Our thanks to the residents of Haliburton County who contributed towards making our first year in Canada so enjoyable. We have found the Canadian people courteous and always helpful and we have appreciated your fellowship and good wishes. We have now moved from the area and would be grateful for your prayers as we labour in a new field.

We have had to make many adjustments and we are slowly succeeding in the task which has not been easy but your co-operation and kindness has been of great assistance to us. We wish you everything of the best and as we say in Afrikaans we wish you "totsiens" (till we see you again) or as we say in Zulu "Salle kahle" (stay you nicely). The Lord bless you is the prayer of the Thomas family.

HELP WANTED

ARE you tired of farming, mining or whatever you do? Thousands enjoy and prosper as Rawleigh dealers. Good opportunity in Haliburton County. Write at once for more information. Rawleigh's Dept. I-225-913, 4005 Riche-lieu, Montreal.

Card of Thanks

I wish to express my sincere thanks to those who sent cards and visited me while I was a patient in the Ross Memorial Hospital. Also I wish to thank Dr. Griffiths and Dr. Watson.

—Alfred Burk.

Driveway robbery.

He bought a Volkswagen for his wife and drove it around the block just for fun. Now he drives it downtown for business. He leaves the big car, with its driving problems, at home and smiles his way through heavy traffic and into pint-sized parking spots. He's the happiest car thief on four wheels.

And why not. His year 'round average is 38 miles to a gallon of gas. He gets better traction on mud and sand because the engine's in the rear with its weight over the drive wheels.

The Volkswagen engine is air

cooled. There's no radiator. No water to boil over. (The only water a VW uses is in the windshield washer.)

In summer he avoids traffic, follows the back roads to the golf course. The Volkswagen's unique suspension smooths out bumps and ruts, even at top speed. And on tight corners, it has the handle and feel of an expensive sports car, without the pain of the price.

The new VW engine provides more power with the same gas economy. All four speeds are synchronized.

And the extra space under the front hood nearly doubles the car's luggage capacity.

There's no getting away from it. The finest thing a man can do is buy his wife a Volkswagen—one with all the latest improvements as shown now by our dealers. Let her choose between the thrifty Custom and the elegant Deluxe!

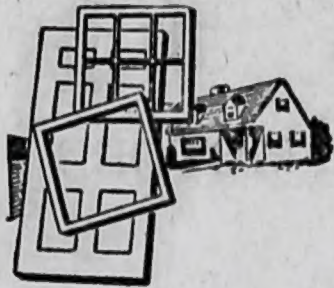

VOLKSWAGEN CANADA LTD.

This is your nearest Volkswagen dealer. He is part of a network of 346 efficient VW service centres right across Canada.

Wedding's Of Local Interest

Burke - Sholer

A lovely wedding was solemnized in the Haliburton United Church August 12, 1961 when Barbara Evon Sholer, only daughter of Mrs. Pearl Sholer and the late Mr. Ray Sholer of Haliburton, was married to William Robert Burke, eldest son of Mr. and Mrs. Charles Burke of Haliburton. The Rev. George Petrie officiated.

Given in marriage by her uncle, Mr. Grenville Sholer, the bride wore a floor length white bouffant gown of nylon sheer organza over satin, a circular fingertip nylon tulle veil held by a coronet of rhinestones, and other white accessories. She carried a bouquet of red and white sweetheart roses.

Matron of honor, Mrs. Edwin Hodgins, aunt of the bride, and bridesmaids Mrs. James Orr and Miss Bernice Sisson wore matching street length gowns of mint green silk organza over taffeta with matching accessories and carried nosegays of yellow rosebuds and white mums.

The little flowergirl, Darlene Hodgins wore a short gown of pale yellow nylon sheer over taffeta with white accessories and a coronet of white lace circled with yellow rosebuds. She carried a nosegay of yellow rosebuds and white mums.

The best man was Mr. John Burke, brother of the groom and ushers were Mr. Gary Burke, brother of the groom and Mr. Wayne McNeil.

The groom and his attendants wore white jackets with black trousers and wore red carnations.

The soloist, Mrs. Donald Walling, sang "The Lord's Prayer" and "O Perfect Love."

Following the wedding a reception was held at Bonnie View Inn, where the mother of the bride received the guests, wearing a turquoise silk with white accessories and a corsage of pink and white rosebuds. She was assisted by the mother of the groom, wearing beige nylon sheer over brocade taffeta with white accessories and a corsage of yellow and white rosebuds.

Following the reception the happy couple left on their honeymoon and on their return will reside in Oshawa.

Yenta - Henderson

In St. Anthony's Church, Haliburton, Rev. Father McGough officiated at the double ring ceremony of Verna Irene Henderson to Glenn Thomas Yenta of Campbellford.

The bride is the daughter of Mr. and Mrs. Harry Henderson and the groom the son of Mr. and Mrs. A. T. Yenta.

The bride, given in marriage by her father was elegant in her short gown of Swiss embroidered organza enhanced with a rounded neckline and long lily pointed sleeves. Her fully bouffant skirt worn over many crinolines was accented with a large butterfly bow. Her circular queen-like crown of pearls was caught to a chapel length silk illusion veil, carrying a white prayer book with streamers of stephanotis centred by a large mauve orchid.

Mrs. Helen Tackaberry, friend of the bride, was matron of honor. She wore a moss green gown of silk organza enhanced with an applied neckline followed through on her fully gathered skirt. Her matching head-dress of organza petals was delicately tipped with autumn haze and worn with an over-the-face veil.

Flower girl, Susan Walling, wore a pink nylon dress. She had a matching head-dress and carried pink roses with white mums.

Leonard Tackaberry of Peterboro was groomsman. Ushers were Ronald Parish of Ajax and John Shannon of Marmora.

Receiving at Dell Haven the bride's mother wore a pale blue lace gown. The groom's mother assisted in an off blue brocade gown.

The bride chose a two-piece white Italian knit suit with black accessories for traveling.

After a honeymoon in the Laurentians, the happy couple will reside in Ingersoll.

LODGE

With 34 present, the Soyer's Lake Ratepayer's Association held their fall gathering in the newly built recreation room at Lakeview Lodge on Sunday evening, September 3.

Dr. H. M. S. Tait, vice president, conducted the business session.

Beautiful colored movies and slides of Switzerland, France, England and also of Haliburton were shown by Mr. and Mrs. Reg. Potter, after which refreshments were served by Mrs. Francis Elstone and assistants.

Among those present were Rev. Canon and Mrs. J. S. Harrington, Dr. and Mrs. H. M. S. Tait, Maj. and Mrs. B. Handley Geary (who had as guests her sister and niece from Toronto), Mr. and Mrs. Jack Ogg, Mr. and Mrs. Bruce Ogg, Mr. Leslie Carver, Mr. and Mrs. L. D. Campbell, Mr. and Mrs. J. W. McKay, Mr. and Mrs. Floyd Pehlemann, Mrs. Edward Elstone, Mrs. Loyola Webster, Mr. A. Holler, Mr. and Mrs. Gordon Moodie, Miss Edith McEachern, Mr. and Mrs. Reg. Potter, Mr. and Mrs. Clifford Elstone and Miss Judy Elstone, Mr. Larry Webster.

New members added to the association were Mr. Fred Ross, Mr. Gordon Ogg and Mr. and Mrs. Gordon Moody.

Stanhope Council

The following are the minutes of the Stanhope council meeting held on September 6 with all members present.

Moved by John Broderick, seconded by Wm. Cowen, that the minutes of the previous meeting be adopted as read. Carried.

Moved by Alex Hewitt, seconded by John Broderick, that the correspondence be filed for future reference. Carried.

Moved by Alex Hewitt, seconded by Allan Sisson, be it resolved that the clerk contact our federal member, Clayton W. Hodgson, M.P., requesting that the Dept. of Transport supply a grant for the purpose of cleaning out the Hawk River from concession 9 to Hall's Lake. Carried.

Moved by Alex Hewitt, seconded by John Broderick, that we accept the road voucher No. 9 for \$4,859.89 and that the same be paid. Carried.

Moved by Allan Sisson, seconded by William Cowen, be it resolved that we petition the Dept. of Highways for an interim payment of the statutory subsidy grant, under the Highway Improvement Act, on road expenditure made to August 31, 1961. Carried.

Moved by Alex Hewitt, seconded by William Cowen, that we approve and give permission to the Ontario hydro, to construct upon the road allowances in the Township of Stanhope, the proposed 44KV wood pole transmission line as per drawing No. 754600ED. Carried.

Moved by Alex Hewitt, seconded by John Broderick, that we write the firm of Shuyler and Ecclestone, regarding the writ placed against this municipality by the Johnson brothers as same has not been acted upon by them, we would request that the same be lifted. Carried.

Moved by Allan Sisson, seconded by Alex Hewitt, that the clerk write to Mr. George E. J. Leaver regarding the closing or selling of a portion of concession 9, township of Stanhope, adjacent to his property stating that they object in either case. Carried.

Moved by William Cowan, seconded by Allan Sisson, that we cause tenders to be called for the position of snowploughing and sanding of the township roads for the season of 1961 and 1962, tenders to state an hourly rate for truck and driver, including truck repairs.

Plow and equipment and repairs to same will be supplied by the township, also a driver's helper.

Moved by John Broderick, seconded by Allan Sisson, that the accounts amounting to \$151.51 be paid. Carried.

Moved by William Cowen, seconded by John Broderick, that this meeting adjourn until October 4, 1961 at 7 p.m. unless called sooner by the reeve. Carried.

THE STANHOPE STORY
Chapter 13

In the autumn of 1860 a chance meeting in Port Hope with a surveyor, Mr. C. Stewart who had just finished the crown survey of Stanhope township, directed Thomas Mason's course to Big Boshkung. His journey to Lindsay was accomplished via the recently constructed P.H.L.&B. railway. There he arranged passage on the first steamer to operate on Kawartha waters, the "Woodman" which transported him safely to Bobcaygeon. Here he encountered Caleb Davis and Capt. William Welch who were also looking for land. Together they proceeded on foot along the Bobcaygeon road which was in the process of construction.

Guided by Mr. Stewart's precise instructions, the three at last arrived at the extreme north west shore of Big Boshkung which Mr. Stewart's enthusiasm had recommended as ideally suited for a homestead since it was easily accessible by water and not too distant from either the Bobcaygeon or Peterson roads.

Satisfied with what they found, Mason chose 100 acres on lot 9 in the fifth concession (still owned by a grandson), Welch, lot 10, he later moved to the lovely property now comprising Camp Calumet, while Davis took up the adjoining lots 9 and 10 in the sixth concession.

Aided by his new neighbors, Mr. Mason at once erected a log cabin roofed with split basswood in a clearing chopped out of the shelter-

ing pines overlooking the sweeping hills which cradle Boshkung whose waters once knew the paddle of Samuel Champlain.

In the spring of the following year, Thomas Mason registered his property with the crown lands agent, Mr. Hughes, at Bobcaygeon. The fee was \$25. When the summer was over Mason had built a sturdy log barn and chopped and burned an acre fallow which was prepared for planting with a grubbing hoe. The fall wheat, scattered by hand, was covered by dragging a tree top over the humous rich earth.

His home completed and the farm well under way, it was natural that a lonely widower would tire of his solitary state. In July of 1862 he married a step-daughter of Benjamin Clarke one of Maple Lake's pioneers, Mrs. Amy Izelda Henderson. A little note in Thomas Mason's own handwriting at the back of a book of poems dealing principally with love and death apparently composed by his first wife Matilda, reads thus: "August 10, 1862, the first parasol ever seen in the back woods of Stanhope, Canada West." One wonders if perhaps it belonged to the second Mrs. Mason.

That October he traveled to Fenelon Falls by punt to purchase the winter's supplies which consisted for the most part of 900 pounds of flour. There were 18 portages on the 63 miles of water between Boshkung and Fenelon, one of them above Minden being almost three miles long. Over each Mason had to carry not only the nine bags of flour but the

punt as well. As a labor of love for his wife, a little later Mr. Mason transported a heavy sideboard constructed by a Fenelon Falls cabinetmaker over this same back breaking route. It still graces the Mason family dining room at Boshkung, its large mirror untarnished by the years.

Hardship and trouble were something a pioneer could count on but Thomas Mason seemed to collect a little more than his fair share of both. On May 31, 1863, only a week after the birth of his first son George, a tree he was chopping rolled over his body crushing three ribs, breaking his left leg at the thigh, and slitting his throat open until it exposed the windpipe. Since there was no

medical help available and prompt action was necessary if his life was to be saved, a brave neighbor woman, the wife of James Hewitt Sr., who with Archie Coulter had settled in Stanhope after their discharge from the British army following the Crimean war, used her ordinary sewing needle and common cotton thread to sew up his throat. What courage it must have taken to draw that shining sliver of steel through the living flesh! Without a doubt Mrs. Hewitt saved his life for the wound healed safely. Not so the thigh which was improperly set. The left leg remained two inches shorter than the right causing Mr. Mason to walk with a pronounced limp. As a reminder of his escape from death, Mason never grubbed out the stump of the tree which rolled on him. It can still be seen in a stone pile not too distant from the Mason house.

The timing of the accident was doubly unfortunate occurring as it did just before the scheduled raising of the first frame barn in the district which was to replace the Mason log barn burned the previous year by a spark from a flaming fallow.

The style of the proposed structure, 49 feet by 32 feet with 18 foot posts was such an innovation that neighbors

darkly predicted enough men could not be secured for the raising. As if to confound these prophets of doom, more than 70 laborers rallied from as far distant as Minden and Kinmount to aid the injured man who supervised operations from a bench in the cabin. Since there was no window facing the new building, the chinking was removed from between the logs to provide him a peep hole.

Shingles for the barn presented a fresh problem for the man who had agreed to supply them broke his contract. Mr. Mason, unbowed by adversity, hired a neighbor to fell and rive the cedars in his own swamp half a mile distant and walked there himself on crutches every morning at daybreak to make shingles until sunset.

His difficulties with hired labor were repeated that fall when the millet he had sown was ready to harvest. So heavy was the crop that after a few exploratory sweeps, the laborer put down the cradle and resigned on the spot. Crippled as he was, Mason dragged himself over the ground and reaped the field with a sickle. That early crops in Stanhope were unbelievably heavy is verified by the Peterboro county history which comments on the quantity and quality of Stanhope wheat.

Are You Looking To Your Child's Future?

Do you have sufficient knowledge of the various trades and professions to enable you to guide your child to a career for which he or she is best suited?

Today, when a large percentage of the unemployed are unskilled, it is up to us, the parents and teachers to encourage our young people to finish their education and help them to their chosen careers.

With this in mind, the Dysart Home and School Association will be bringing speakers from various professions to its monthly meetings.

The first speaker will be Mr. C. Tierney, sales manager for CKVR-TV in Barrie.

Mr. Tierney will outline the many opportunities open to both male and female in the broadcasting field. They are so diverse, that many skills, from mathematics to art can be turned into a bright career in broadcasting.

We feel our speaker will be of interest to High School students, so we are arranging to have Mr. Tierney speak during the first part of the program, before our monthly business is conducted. This will enable students to leave at the end of the question period.

Don't miss this opportunity! Our meeting is held in the High School at 8 p.m. MONDAY, SEPT. 18th.
